

THE CITY PRIDE

Dear guest

Thank you for honouring us with your visit. We will do everything in our power to make your time here enjoyable and satisfying. Please tell me if there is any way I can improve your visit for next time, either ask my staff for my contact card or e mail marco@citypridepub.co.uk.

Our aim is to create a place that will renew one of our country's most pleasant traditions, the culture of drinking beer and the enjoyment of eating great British dishes.

We are proud to be associated with Fullers as our supplier of quality Beer and Ale. London's only remaining brewery with the best brewed ale in the country that is sold and exported across the world.

Our beer is treated with the greatest care and regularly checked for quality. Our cooks and servers are specially trained and we hope the City Pride will become one of your favourite pubs.

WELCOME

FULLERS London Pride 4.1% ABV London's only remaining traditional family brewer. **Fuller's London Pride is the UK's leading premium ale.**

Known and loved for its distinctive, rounded flavour, London Pride is the award-winning beer for which Fuller's is most famous. In recent years its popularity has grown to the extent that it is now Britain's leading premium ale: a welcome fixture in many pubs and off licences around the country, and now winning new friends abroad. To the beer aficionado looking for the classic English pint, we say this: Whatever you do, take Pride.

<http://www.fullers.co.uk/rte.asp?id=47>

ESB was launched into the Fuller's family in 1971, as a winter brew to replace a beer named Old Burton Extra. The potential of the beer was soon realised and ESB was installed as a permanent fixture, creating an immediate impact. Not only was it one of the strongest regularly brewed draught beers in the country (at 5.5% ABV), it was also one of the tastiest, and as the awareness of the beer grew, so did its popularity. ESB's reputation was soon enhanced after being named CAMRA's (Campaign for Real Ale) Beer of the Year in 1978, and the beer has not stopped winning since! With three CAMRA Beer of the Year awards, two World Champion Beer awards, and numerous other gold medals to speak of, ESB is, quite simply, the Champion Ale.

Fuller's Discovery Blonde Beer has been turning heads since its launch in 2005.

Discovery is the first new year-round beer launched by Fuller's since Chiswick Bitter back in the 1980s. Developed in response to the increasing popularity of lighter golden ales, and always served chilled, Discovery boasts the perfect combination of flavour and refreshment.

Since its introduction it has won enthusiastic plaudits from ale and lager drinkers alike. Isn't it time you made a refreshing discovery too?

SEAFARERS ALE. Seafarers is an extraordinary cask ale. It was originally developed as a tribute to Gales' close association with all who sail the seas and, indeed, for every pint bought we make a donation to Seafarers UK, the leading maritime charity. Tasting notes
Seafarers is brewed to 3.6% abv and is a delicious, thirst quenching ale. The secret of the hugely satisfying, refreshing taste of this light, amber beer is in the blend of finest quality English malt, Admiral hops and the unique Gales yeast. Well developed fruity malt flavours and gentle bitterness sail through to a satisfying hoppy finish.

A Very Good Cause

Fuller's donates £5 for each barrel sold to Seafarers UK, the leading maritime charity. Over the last decade Seafarers UK has given more than £26 million in grants to help support sailors and their families
